

12th – 14th July 2019

Oxfordshire County Cub Camp

Dear Cub Leaders,

We are holding a County Cub camp in 2019 close to the centre of Henley-on-Thames on a site known as Regatta Fields. It will be a green field camp with a large flat camping field and activity fields close to the River Thames with space for hundreds of the County's Cub Scouts. We do not anticipate the camp being as big as Cub-Fest in 2016 and numbers will be limited so please book early to avoid disappointment.

The camp, which will run from Friday evening until Sunday afternoon, will have an international theme with each of the Districts representing a continent (or region in some cases) of the world – see below. The camp will include a grand opening ceremony, parade, day and night activities and much, much more. We would like to see everyone dressed up for the parade on the Saturday night in the theme of their region:

- West Oxon: Asia
- Oxford Spires: North America
- North Oxon: Europe
- Thames Ridge: Africa
- Thames Chiltern: Oceania
- King Alfred: Latin America

Activities will be based around three zones; Land, Sea and Air and will provide Cubs with the opportunity to undertake all sorts of activities including – keep an eye out on the website for more details!

The administration of the camp will be run via the EMS booking system with all health forms to be completed online. The cost per Cub will be **£45** which will include camping, activities and evening entertainment. There will be **no cost** for leaders and other adult supporters on camp. We will not be providing centralised catering this time, therefore it is up to Packs and/or Districts to make arrangement as they see fit.

To help with the running of activities please note that all Packs will be expected to provide adults to help run activities over the weekend – the number required will be based upon the number of young people attending. A programme of where and when you need to provide adults will be sent to you nearer the time but only once all information has been collected and finalised on EMS. All adults staying overnight will need a current DBS check for the duration of the camp.

If you would like your pack to join us please return the reply slip below together with an estimate of your numbers as soon as possible. Alternatively complete the google form online at https://docs.google.com/forms/d/e/1FAIpQLSdK1KnZD3OdmwzCKjMuO6WneGu5oioKh_7DDCiYC8BWXs0Xg/viewform?usp=sf_link with details of your pack, camp lead contact details and estimate of numbers.

You will need to register your pack on EMS (www.scouts-ems.org.uk) and send a £100 deposit by the end of January 2019. The system will be open for bookings at the end of July and all leaders that have returned the reply slip or registered via the google form will be contacted via email to confirm that it is open.

Final numbers and all monies will need to be paid by 19th April 2019 (Good Friday).

Heath forms will need to be completed online and all DBS checks completed for adults on camp by 31st May 2019.
